# ADIB Strategy

## Build market leadership within the UAE

- Build on our strength as a leading retail bank. Retail segment has grown from strength to strength and customers now exceed 1 million. To continue this growth, ADIB has embarked on a digital transformation strategy with primary focus on enhancing customer experience.
- In the wholesale bank, ADIB has continued to consolidate and improve its position in commercial real estate, corporate finance and advisory and in transaction banking. ADIB has developed and implemented new CRM and Cash management platforms and will be launching a new Trade Finance platform. These initiatives enable ADIB to offer a full menu of products on digital platforms thereby offering superior services to its corporate customers.

## Create an integrated financial services group

- ADIB continues to create a diversified Islamic financial services model.
- In addition to banking products and services, ADIB provides property management, advisory and valuation services (through MPM), takaful insurance (through Abu Dhabi National Takaful Company) and securities brokerage (through ADIB Securities) and merchant acquiring business through ADIMAC.

## Strengthen our International presence and business

- ADIB international expansion began with a joint venture in Egypt (ADIB Egypt) followed by the establishment of branches in Iraq, Qatar and Sudan, a subsidiary in the UK and a joint venture finance company in Saudi Arabia.
- ADIB's is now poised to expand its international business by allowing multinational corporate customers access to financial services in its overseas locations via its Global Transaction Services platform.
- Another recent addition is the expansion of international Financial Institutions business focused on trade finance activities.
